Extra Questions for Class 5 EVS Chapter 10

Q1. Why is Earth called “our shared home”?

Because it is the only known planet that supports life, and provides air, water, and food for all living beings.

Q2. Name one resource all living things share on Earth.

Air (or water).

Q3. Give an example of oceans connecting different parts of the world.

Oceans allow water, fish, and ships to move freely between countries.

Q4. Why should we care for the Earth’s resources?

Because they are shared by all living things and are essential for everyone’s survival.

Q5. What is one small action you can take to help the Earth?

Any genuine example, such as saving water or not littering.

How to Use These Extra Questions

Encourage your child to give a real, personal example wherever the question allows. For the full walkthrough, see the [Solutions](#), or the [Revision Notes](#).
